

REMARKS UNDER 37 C.F.R. 1.111

Consideration and allowance are respectfully requested.

NO NEW MATTER HAS BEEN ADDED BY THIS AMENDMENT.

Applicant has also provided an abstract in compliance with the rules.

Most of the figures that have been objected to have been cancelled. The cancelled drawings are not necessary to understanding the invention or its best mode. The other figures have been replaced by the attached substitute figures.

Upon approval, the applicant will submit a substitute specification eliminating reference to all the unnecessary figures.

This completes all requirements. Entry of the amendment and consideration and allowance of all claims are respectfully requested.
